Goal: Raise \$80,000 to support the Coalition's legislative advocacy efforts

This year, the Massachusetts legislature has the opportunity to pass a major gun violence prevention bill that will make all of our communities safer. It's been nearly ten years since Massachusetts has enacted a comprehensive gun reform bill, and the Massachusetts Legislature is finally ready to act again on comprehensive gun reform. Now is our chance to pass evidence-based gun violence prevention laws that truly keep our communities safe. With active connections in the state house, constant involvement in the state legislative process and unwavering dedication to survivor-led advocacy, the Coalition is committed to advocating for our state's most impacted communities every step of the way.

[**Sponsoring the 2023 Peace MVP Awards directly supports Coalition advocacy efforts to make this important legislation a reality.**](#)

Sponsorships:

Sponsorships are an opportunity to publicly show your support for gun violence prevention and directly fund state-based community organizing and advocacy efforts. Our Coalition is the only organization that specifically combines gun violence prevention expertise, Massachusetts state political knowledge, and grassroots community organizing to effectively carry out gun violence prevention work in the Commonwealth. [**This awards ceremony is our biggest fundraiser of the year and a celebration of Massachusetts-based innovators who dedicate their careers to preventing gun violence.**](#)

This year's Peace MVP Award recipient:

Dr. Thea James is the Vice President of Mission, Associate Chief Medical Officer, and Co-Executive Director of the Health Equity Accelerator at Boston Medical Center. A tireless champion for survivors of violence, she has worked on the local, national, and international level to ensure that trauma victims have access to equitable and trauma-informed systems of care. She has transformed how hospitals respond to gun violence through her leadership at Boston Medical Center and her work with the Hospital Alliance for Violence Intervention (HAVI).
